# PRESIDENT'S CHALLENGE 2022 ON TRACK TO RAISE MORE THAN \$15 MILLION IN SUPPORT OF 82 BENEFITTING AGENCIES

• 71 key donors and volunteer partners were recognised at the President's Challenge 2022 Appreciation Night

**SINGAPORE 24 NOVEMBER 2022, 7PM** – 71 donors and volunteer partners were lauded for their volunteering and fundraising efforts at the President's Challenge Appreciation Night, which was hosted by President Halimah Yacob at the Istana this evening.

2. Through the active fundraising efforts of these donors and partners, President's Challenge (PC) 2022 is on track to raise more than \$15 million to support 82 benefitting agencies. By the end of this year, 8,500 volunteers will also be mobilised from 30 corporate partners through these fundraising initiatives. These efforts have contributed greatly in supporting communities in need, especially lower-income families, which is the focus of PC 2022.

3. PC 2022 also saw several new organisations who had embarked on fundraising initiatives. Among them is Singapore University of Social Services (SUSS), which rallied students, staff and the public to donate to PC through two anchor events of SUSS's annual Giving Day. These events are the inaugural SUSS Charity Golf, and the Better Together Challenge which aimed to gather and unite the SUSS family to do their part for the community through participating in a series of challenges and events.

4. "This is the first time SUSS had organised such an extensive fundraising initiative involving the SUSS family and public well-wishes. We are honoured to be a part of PC 2022, knowing that the funds we had raised will go towards supporting many families through the benefitting agencies," said Professor Cheong Hee Kiat, President, SUSS.

5. In celebration of their Golden Jubilee, SAFRA, another donor of PC 2022 had organised a series of charity events as part of its SAFRA Cares initiative to raise funds for PC 2022 and other adopted charities such as the SAF Care Fund. These events, which included the Wheels and Feet Charity Challenge, Esports Fiesta With A Heart, Charity Bowl, Diaper Dash and Swim For Hope to enable social cohesion amongst NSmen and families while enabling them to contribute to the community. About 80 per cent of the total funds raised through these events will be channelled to benefitting agencies under PC.

6. With the relaxation of safe management measures, more partners have also increased in-person volunteering activities. 3,000 students from Singapore Polytechnic participated in volunteering opportunities that benefit lower-income families such as meal deliveries, food donation drives, and imparting skills such as self-defence and basic orienteering skills to youths. Over 200 students and staff from ITE College Central also conducted free air-con efficiency and sustainability workshops to individuals from lower-income families to re-skill or upgrade them to improve their employability.

7. "PC 2022 encourages community efforts and partnerships that can help empower lower-income families with skills and opportunities. I am heartened to see that our donors and partners have brought the community together to support these families through their giving and volunteering efforts. By building strong families, we can nurture resilient individuals who can contribute meaningfully and lead fulfilling lives," said President Halimah Yacob.

#### About the President's Challenge

The President's Challenge is a national movement led by the President to rally Singaporeans to build a caring and cohesive society together. An annual community outreach, President's Challenge aims to bring together people from all walks of life, under the President's patronage, to help those who are less fortunate. 100% of donations raised under President's Challenge go to beneficiary organisations supported by President's Challenge.

President's Challenge was established in 2000 by the late Mr S R Nathan as a fund raising campaign to help the less fortunate. In 2012, Dr Tony Tan expanded the Challenge to include Volunteerism and Social Enterprises. In 2018, President Halimah Yacob refocused the effort of President's Challenge towards the empowerment of vulnerable groups with skills and employability. An Empowering for Life Fund was set up to support programmes in skills upgrading, capacity building and employment of vulnerable groups. President's Challenge aims to raise \$10 million for the Empowering for Life Fund until 2022, and the Government will provide dollar-for-dollar matching.
